

**CELEBRATING 10 YEARS**

**2017 AUCTION CATALOG**

**10<sup>th</sup> Annual Golf Outing & Auction**

Saturday, August 5, 2017

Dunmaglas Golf Club, Charlevoix, Michigan

## IN MEMORIAM

Sadly, this year, Kali's Cure lost two dear and dedicated friends who each helped shape Kali's Cure in their own special ways.

In February, we mourned the passing of **Jim Hickerson** of Texas (formerly Alma, MI). Jim was a generous, loyal, and very genuine person who embraced life to the fullest. His sudden passing left a huge hole in many lives. He was a natural "entertainer" with a dear heart and passion for Kali's Cure who created and donated our bumper stickers and first ever batch of Kali's Cure t-shirts.

Jim singlehandedly created the Race for Research in Texas, raising \$10,000 at our first out-of-state event, where we donated an adaptive kart signed by Indy 500 winner Gordon Johncock! Jimmy would always reach for the stars and secure unique auction items despite immeasurable odds. Whenever possible, Jimmy was sure to be found at the Kali's Cure golf outing where we will miss his generous nature, contagious excitement and passionate stories. When it came to helping others, his drive and devotion were limitless! We know he will be with us in spirit, watching over us as we honor him by helping others.

In March, we said goodbye to **Mother Dr. Jane Mary Firestone**, a founding member of both the Religious Sisters of Mercy and Kali's Cure. Mother Jane was a quiet presence on the Board who took on a behind-the-scenes role in helping vet some of our first recipients and lent her vast medical expertise to seek out the most promising direction for our new organization. Due to her numerous previous commitments, Mother Jane felt the foundation would be better served by a board member who could do even more research, appear at all charity events, and spend more time focused on Kali's Cure. During her short tenure, however, she contributed much more than she credited herself and, even after she relinquished her role, never stopped working on behalf of the foundation.

In fact, in 2012 she helped the Board achieve an important goal by facilitating a donation in Alma, where Kali's Cure contributed to a new wound clinic at Mid-Michigan Medical Center-Gratiot. The clinic houses state-of-the-art hyperbaric oxygen therapy, a new advancement in wound treatment. Wounds are a common, and sometimes fatal, secondary ailment in those living with paralysis.

We will be forever grateful for Mother Jane's willingness to lend her name and knowledge to our organization from the start. We are not alone in our loss as Mother Jane will be missed the world over but we take comfort in knowing she is smiling down from above.

# 2017 KALI'S CURE AUCTION

## 1 CRYSTALS FOR THE CURE

This year's Kali's Cure necklace, again with "Cure-li" proudly hanging from it, is made up with vibrant colors of red, gold, and pink. It is designed with a spiral stitch of several different seed beads. It is very delicate and lightweight—you won't even know you have it on. This beautiful piece of jewelry can be worn for casual or dressy occasions.

Karley Morgan

## 2 MACKINAC BRIDGE TOWER TOUR

It's the opportunity of a lifetime – a tour of the Mackinac Bridge all the way to the top!

The Mackinac Bridge is the longest suspension bridge in the western hemisphere. You and a guest will ascend to the top of the north or south tower to view and photograph the beautiful Straits of Mackinac and the Mackinac Bridge. The towers stand 552 feet above the water with a suspension length of 8,614 feet and a total length of 26,372 feet.

You must be able to tolerate extreme heights, maneuver through small spaces, and climb a ladder 40 feet in length. Tour will be on a weekday prior to 1 p.m. and will take about 1 ½ hours with a stay of 10 minutes on the tower. Participants must be 56" or taller and weigh 80 lbs. or more. Your tour must be scheduled and completed by October 15, 2017.

Thank you to Patrick Gleason, Jennifer Mefford, and Bob Sweeney
